	<u>Time</u>	<u>Position</u>	<u>Class</u>	<u>Type</u>	<u>Course and Speed in Knots</u>	<u>Remarks</u>	
1.	1300	5 sea miles southwest Gedser-Rev lightship	auxiliary vessel	drifter	adrift; no speed	A man wearing a white uniform with golden braids was seen in the wheel house.	25X1 25X1
	0900	Bay of Danzig	destroyer (Y)	u/i	north and south	Radio traffic indicated that a fisherman sighted 3 Soviet destroyers, 1 on a northern and 2 on a southern course.	
2.	1000	Bay of Tallin	u/i	u/i	slow speed	Naval unit of 4 vessels running line ahead entered the Bay of Tallin. The vessels had 400 to 500 tons, slightly raking stem, flush deck with 1 gun, low square bridge with 1 mast; adjoining the bridge, 1 thick stack, lower than bridge. On the quarter deck, undetermined superstructures or devices. The unit was accompanied by a fifth larger vessel, probably a destroyer, of 2,500 to 3,000 tons, which ran more inshore. The vessel had flush deck, 1 gun on fore'sle, high straight bridge with superstructures on the aft section; 2 stacks, 2 masts, with the second mast in front of the second stack and the first mast adjoining the bridge. Astern of second stack, superstructures.	25X1 25X1 25X1
3.	0530	appr 3 sea miles from 54°45'N/15°20'E	submarine	u/i	east, later south medium speed	The vessel had 500 to 750 tons, detached gun in front of the turret which was occupied by 6 men. The turret had a stepped backside.

		appr 5 sea miles north of Estonian coast	8 submarines 2 seagoing tugs 4 small vessels	u/i	east, medium speed		
5.	0730	off Seis- kacri Island	destroyers	u/i	west, medium speed	The unit ran in the order of the identification Nos; it came from the direction of Leningrad. The 6 destroyers preceding the cruisers had 2 stacks, the other 2 destroyers 1 stack.	
			cruisers	Sverdlov			
			destroyers	u/i			
	1100	Leningrad lightship	cruiser	u/i	-	The cruiser moored on a buoy approximately 1 sea mile west of Leningrad lightship; she was towed by 2 naval tug boats. The cruiser had 1 stack and each 2 gun turrets with double mounting fore and aft.	
6.	1030	10 sea miles from 54°25'N/ 13°57'E, 80° true bearing	19 submarine chasers	Kronstadt (?)	-	The vessels ran in 2 groups, 2 to 3 sea miles apart. They apparently conducted formation exercises including running line ahead and double-line ahead and forming line abreast and double-line abreast. The two groups ran on different courses.	
	1230	appr 1 sea mile south Greifswalder Oie, 5 sea miles from source's position	submarine chasers	Kronstadt	no speed	The vessels apparently lay at anchor. All vessels had a narrow blue line around the stack.

	1245	Greifswalder Oie	12 speedboats	Wico (?)	-	The vessels approached from direction Sasanitz in 2 groups, each of 6 vessels, and entered the channel southwest Greifswalder Oie, running line ahead. The 2 groups ran 1 sea mile apart.	25X1
7.	0300 RBT	appr 20 sea miles south Porkkala	minesweepers	E 301 (?)	-	-	25X1
8.	1320	3 sea miles south Sasanitz	3 naval vessels	u/i	drifting or at anchor	Small vessels with 2 stacks, lying line ahead. No details.	25X1
9.	1450	10 sea miles east Seiskaari	submarine chaser	Kronstadt	west, medium speed	-	25X1
	1500	10 sea miles east Seiskaari	submarine chaser	Kronstadt (?)	west, slow speed	Same type as vessel [] however, no weapons on quarter deck, no radar on mast. The vessel made smoke with an apparatus located near stern. The apparatus was not observed with other submarine chasers.	25X1
	1505	10 sea miles east Seiskaari	submarine chasers	Kronstadt	southwest, medium speed	The vessels differed from vessel [] as follows: additional twin-barreled AA gun between gun and bridge, each 1 twin-barreled AA machine gun on the first step of bridge on starboard and port side and 1 twin-barreled AA gun on deck, in line with trailing edge of bridge.	25X1

1512	10 sea miles east Seiskaari	destroyer (?)	u/1	southwest, medium speed	The vessel was 70 to 80 meters long, had a slightly raking stem, a gun with protective shield on the forecastle, box-shaped slightly stepped bridge. Mast projecting from aft bridge section, braced toward first stack. Two stacks; upper edge of first stack in line with upper edge of bridge; second stack almost amidships; sheer in line with aft edge of first stack; several AA guns between stacks; superstructures adjoining aft edge of second stack, mounting AA guns; destroyer island with AA guns at border line between midship and after section of ship. Gun with protective shield in center of aft section of ship. Otter board on quarter deck.	25X1
1513	10 sea miles east Seiskaari	auxiliary vessel	ex M 40	southwest, medium speed	No armament.	25X1
1518	10 sea miles east Seiskaari	battleship	Gangut	southwest, medium speed	-	
1535	10 sea miles east Seiskaari	submarine chaser	Kronstadt	southwest, medium speed	Same type [] however with additional twin-barreled AA gun between gun and bridge.	25X1
1540	10 sea miles east Seiskaari	submarines	-	southwest, medium speed	Submarine [] was approximately 90 meters long; 2 small guns with unusually short barrels, one above the other, projected from a closed low superstructure from which rose the rounded bridge, the front upper edge of which mounted a round superstructure with rectangular portholes and a straight backside. Another superstructure with rectangular portholes between middle and trailing edge of bridge. 1	25X1

Submarine [] same type as [] similar
arrangement of guns, but with additional
gun of approximately 75 mm on quarter deck.

Submarine [] was approximately 60 meters long,
curved bridge with two steps, backside receding
in a gently curved step. No arms on upper
deck.

Submarine [] was approximately 75 meters
long, rounded turret, straight front, one step
in the rear; no armament; a small jolly boat,
bottom up, was on the foredeck of the submarine.

Two vessels of same type, approximately 120 to
140 meters long, raking stem, gun turret on
fore'sle. Bridge rose straight from vessel; low
superstructures at trailing edge of bridge;
2 stacks, 2 masts. Height of first stack:
approximately 2/3 of bridge; first mast adjoining
bridge; second mast (topmast) forward second
stack; second stack projecting from super-
structures; low superstructures between first
stack and second mast; flush quarter deck.

Two transport vessels on a western course were
seen east of the 2 destroyers. The vessels
had a grey coat of paint, 1 stack and 4 hatches.
